Global Composites Experts Webinar Series

Composites Design and Manufacturing HUB (cdmHUB) invites you to attend the Global Composites Experts Webinar series. The goal of the series is to accumulate the vast knowledge of composites that has been developed over the past 50 years and to make it available to the global composites community. The inaugural lecture entitled Digital Disruption of Composites Manufacturing and Design will be given by Prof. Anoush Poursartip on September 3rd 11am-12pm EDT (in two weeks). Please visit <https://www.purdue.edu/cmhc/events/2020-webinars/> for more details. It is free but you need to register to obtain a calendar invite with a link for attending.
